Farina Finissima di Riso

Versatile and with a delicate taste, **Nutrifree Farina Finissima di Riso** is obtained through the grinding of rice coming from supply chains safe from contaminations, and maintains all its beneficial properties: its high nutritional value thanks to the balanced content of noble proteins, vitamins and mineral salts; its digestibility and its role of restoring balance to the gastrointestinal system.
Ideal to prepare bakery products such as cakes, breads and derivatives, given its very fine consistency.
Tips: Great to prepare soft sweets such as cakes and sponge cakes. Additionally, the lower granularity eliminates the risk that the final product turns out floury.
